Year 3/4 will be a portfolio year for each student
Year 4 work with your counselor

Studio Mission Statements

Media Technology: Student artists will have a fundamental understanding of how to be successful in the advancing medium of audio/visual arts, with the technical, methodological, and social skills necessary for college or industry level work; showcased in an industry-ready portfolio.

Visual Arts: Student artists will have a working artist statement, 15 relevant and original college level works of art, and connections to arts professionals, and an industry-ready portfolio.

Dance: Student dancers will have a professional/collegiate resume, 5 original pieces of choreography showing diversity of range and choreographic voice, and connections to dance professionals in the collegiate, studio and performance fields.

Acting: Student actors will have the critical skills necessary to live truthfully under imaginary circumstances. They will demonstrate an understanding of theoretical skills and their applications in order to perform and communicate confidently in any collegiate style or setting. They'll produce a headshot, resume, performance portfolio, and audition catalogue.

Commmercial Music: Student musicians will build on a traditional instrumental music program and broaden their knowledge and skills necessary to be prepared for a university and/or professional setting. In addition to their primary instrument, students in this program learn basic guitar and piano techniques, study music theory and aural skills, and learn recording, songwriting, composing, and music business basics.

UAA Advantage

- Utah's Premier Arts and Academic HS
- Top Academics in So. Utah
- 2 ACT Points above State/Nat'l Average
- Enrollment in Top-Tier Universities
- 98% Graduation Rate
